In today's everchanging society, a student is never completely stationary. The surrounding circumstances and activities force him to adjust and adapt to a world of progress.

The 1975-76 school year at Midway was one of change. As seniors braced themselves to meet the demands of an unknown future, the student body looked forward to relocating in a modern new building.

Whatever he faces and whatever his situation, a student must always be Moving On.

Last Homecoming Before Panthers Move On

Junior princesses are Jackie Taylor and Sandra Hamm.

Chosen by the sophomore class are duchesses Kelli Mayberry and Liz Smith.

Representing the Freshman class are Carol Stanley and Liz Arreaga.

Last but not least! This certainly holds true for the last homecoming game and coronation at Rice Field.

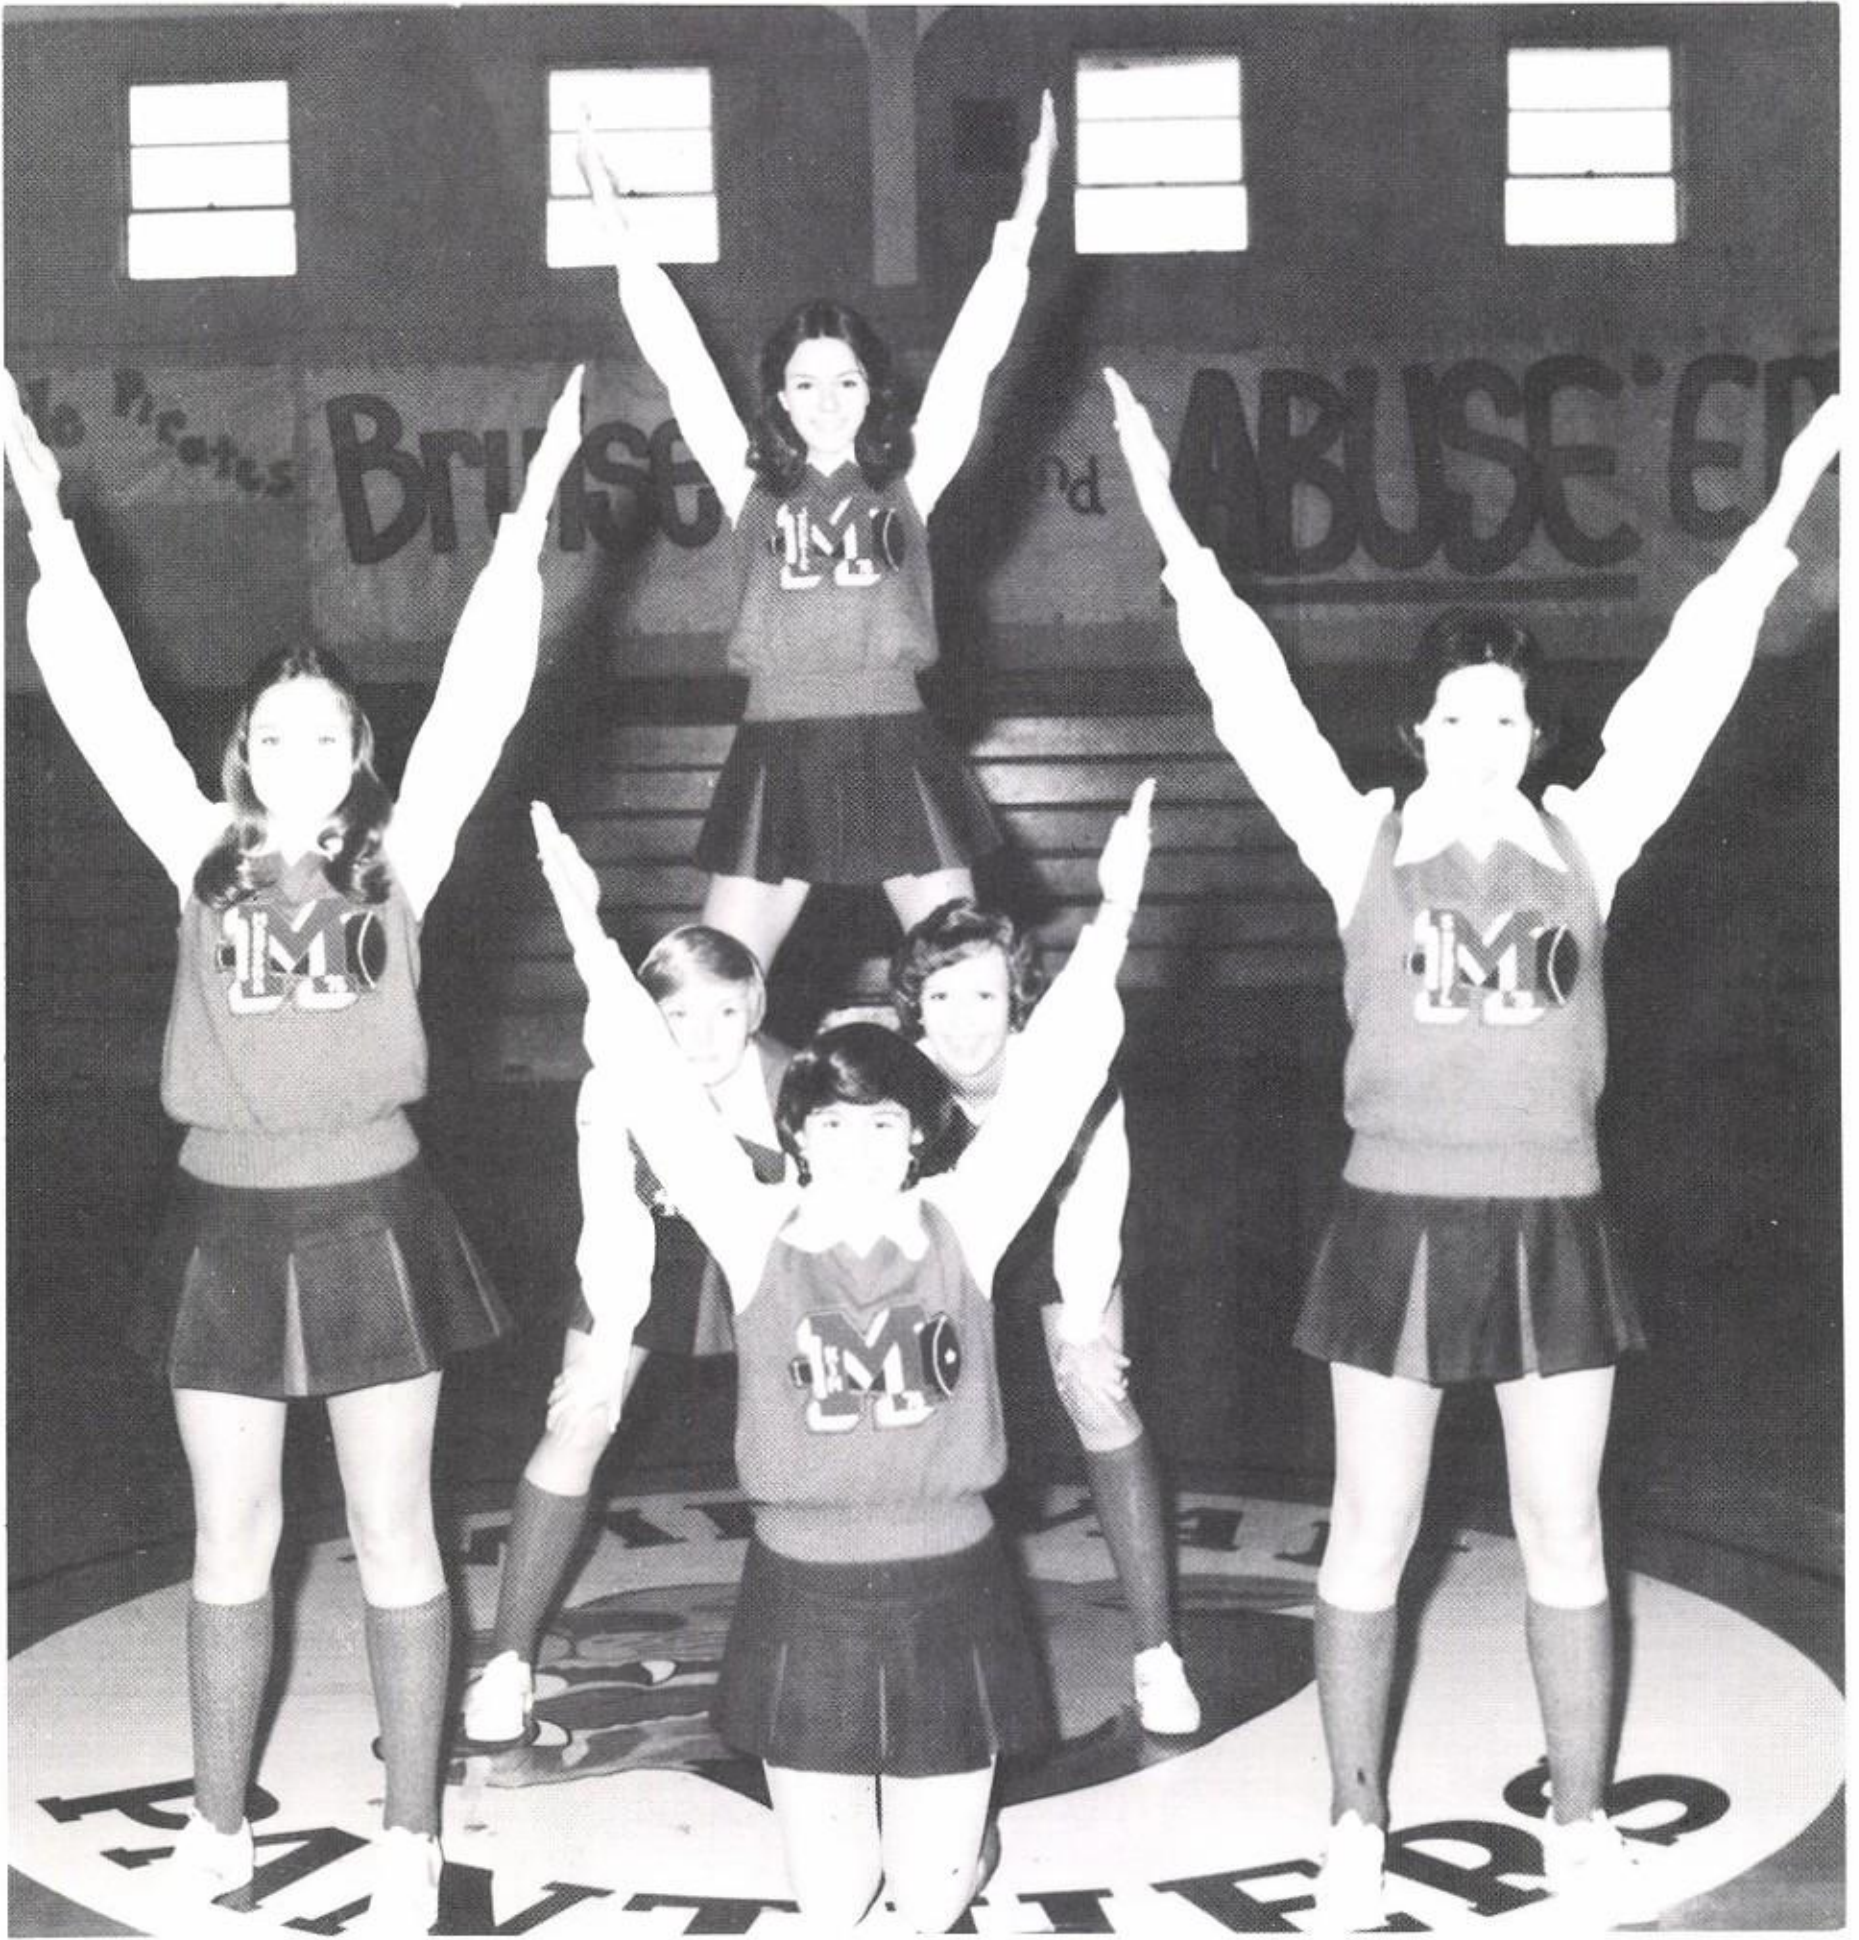

The week was a busy one for all the students. Each class and club was busy building floats for the parade. Thursday night, as well as Friday afternoon, excitement mounted as the cheerleaders held pep rallies at the bonfire and in the gym. All the students were anxiously waiting for the coronation.

Homecoming 1975 was very beautiful and exciting. Everyone left with treasured memories of the last homecoming and coronation to be held at Rice Field.

The 1974 Homecoming queen, Carol Remus, crowns the reigning 1975 Homecoming queen, Barbara Anderson. Queen candidates for 1975 chosen by the senior class are Karen Fisher, Tyanne Lomax, and Tami Mayberry.

Front row: Kim Felty, Middle: Marsha May, Sandra Hamm, Leesa Huey, Sherryl Schrotel, Top: Jackie Taylor.

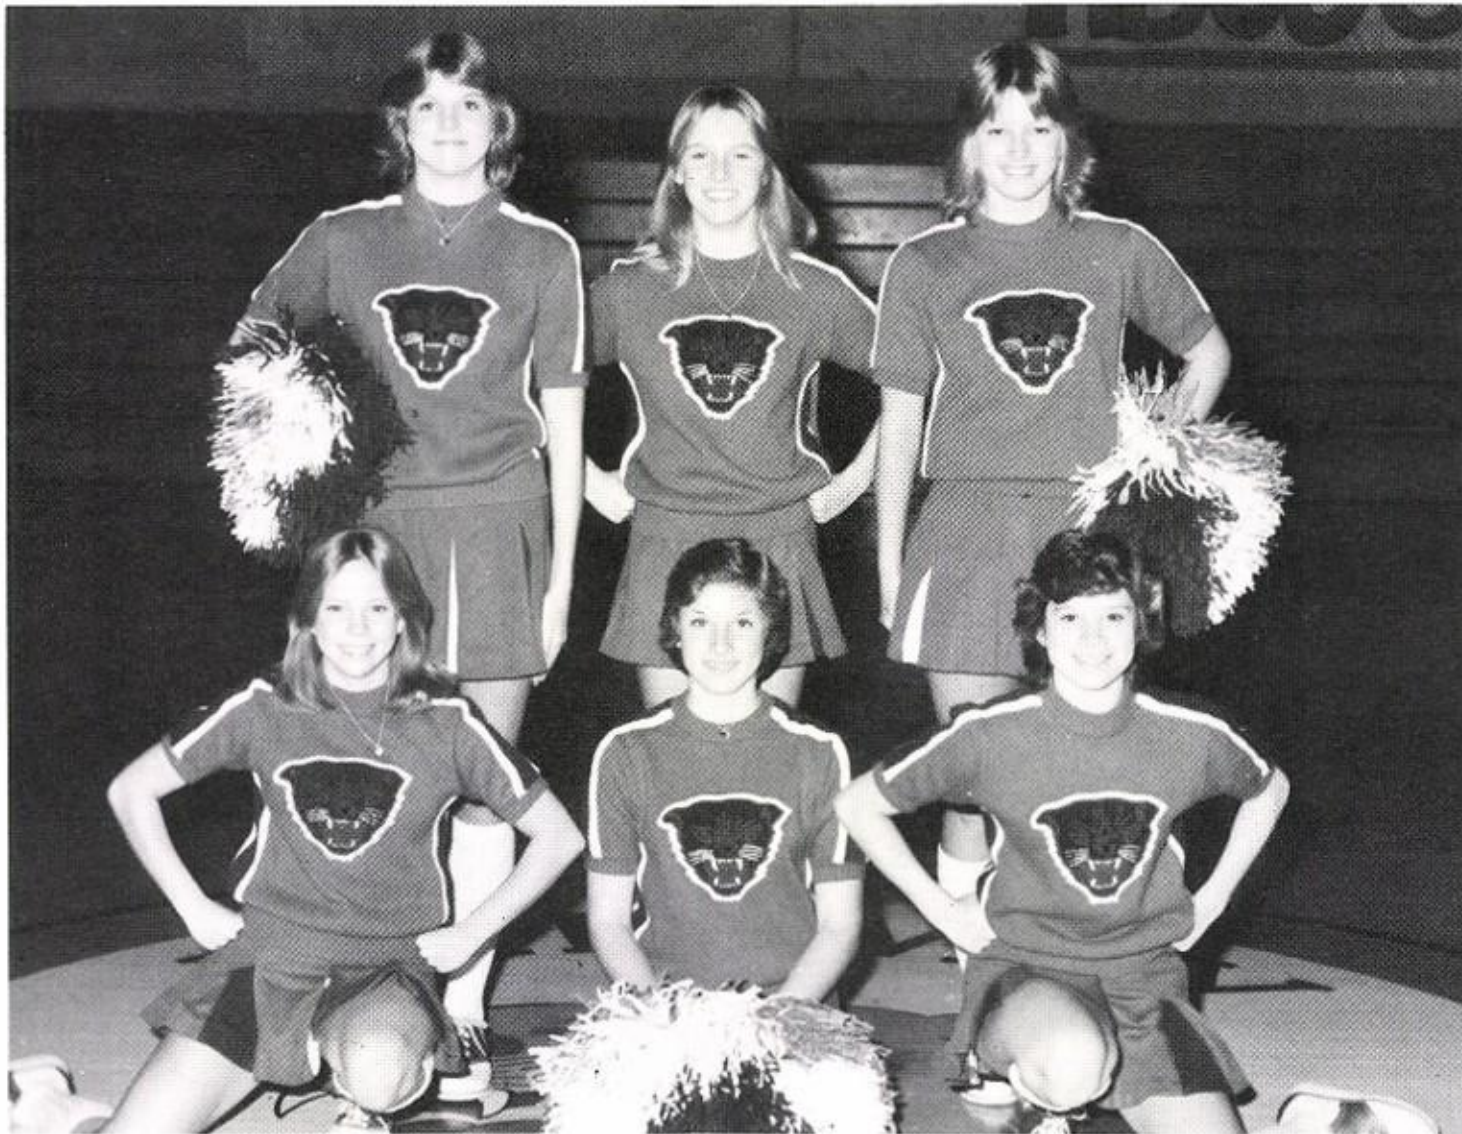

The Spirit

The last pep rally was a sad time for the Seniors as well as the Juniors.

The 1975-76 cheerleaders made a great contribution to the spirit and morale of the school. Enthusiasm at pep rallies and games, special days, and an overall spirited outlook contributed to successful sports' seasons.

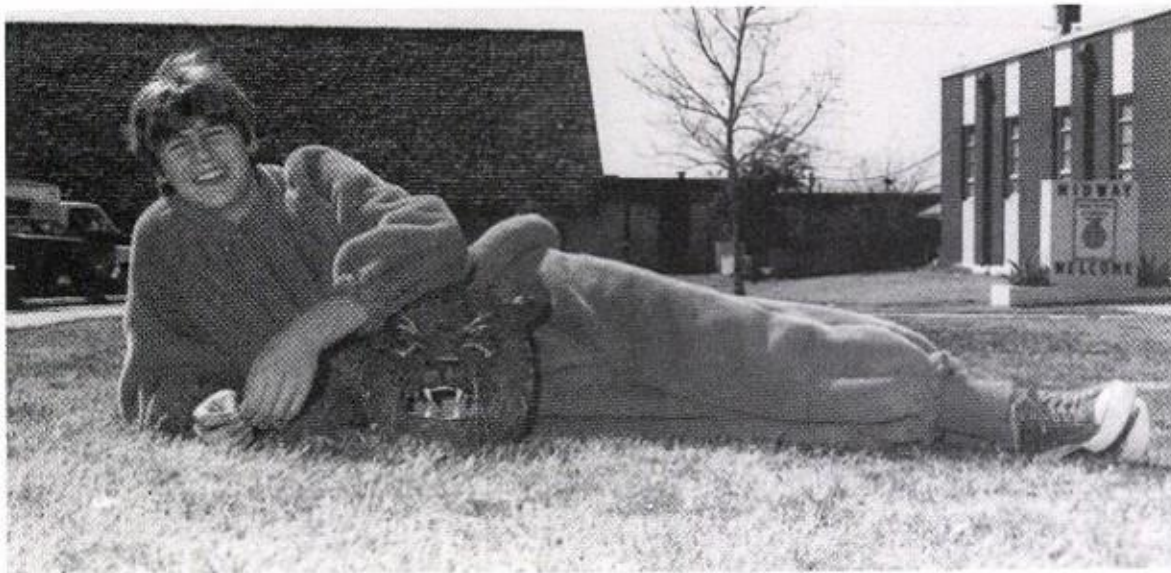

Kim Felty served as head cheerleader of the varsity squad and Liz Smith for the junior varsity.

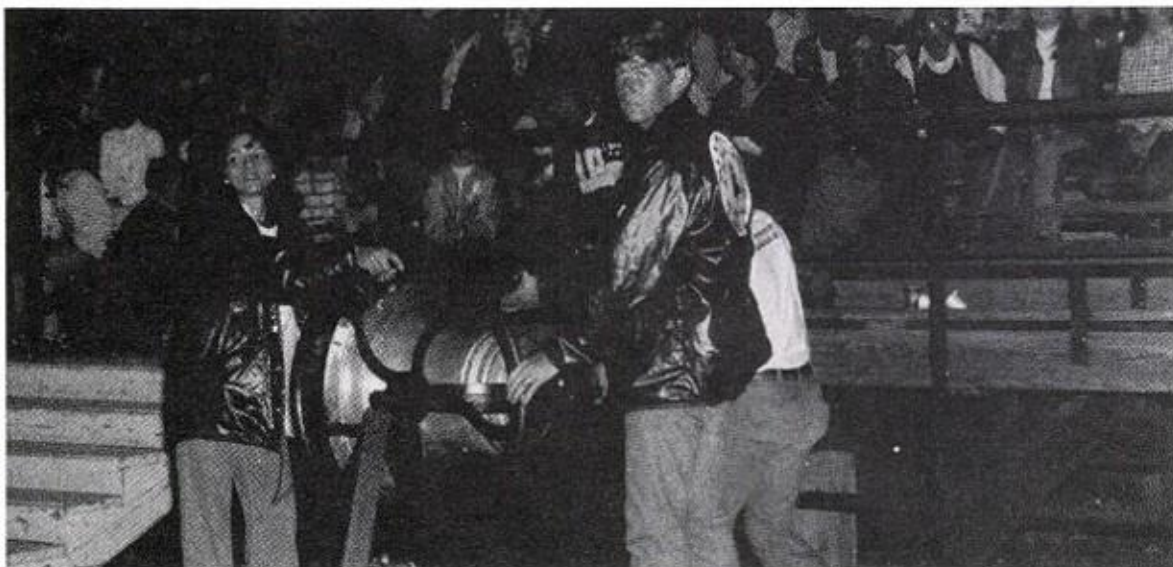

Front: Tricia Parkinson, Tami Clifton, Debbie Brown, Back: Kelli Mayberry, Kandy Nix, Liz Smith.

Bringing The Spirit In

Besides the cheerleaders, spirit is boosted by a school mascot, Junior Eric Gillerup, and the Panther Patrol, a new organization that rings the Victory Bell at all sports events. It consists of three Seniors: Debbe Jones, Steve Bowdoin, and John Smith; and one Junior: Chad Schrotel.

The Panther Band In Action

Don Filgo and Larry Pierce directed the largest band Midway High had ever seen. The band had 174 participating members.

The marching season was a busy one with the pep rallies and the Friday night Bicentennial-oriented half-time shows which often received standing ovations from the crowd.

The marching season ended with the UIL marching contest in which the band received a 'I', the highest rating possible. The band participated in the AstroWorld Marching contest the following weekend.

Look what all this practicing has done to me.

Fall brought something new to Midway: Volleyball season! Previously a spring sport, Volleyball was for the first time held in the fall. With the helpful supportive fans, the Pantherettes maintained a season record of 15 wins and 5 losses.

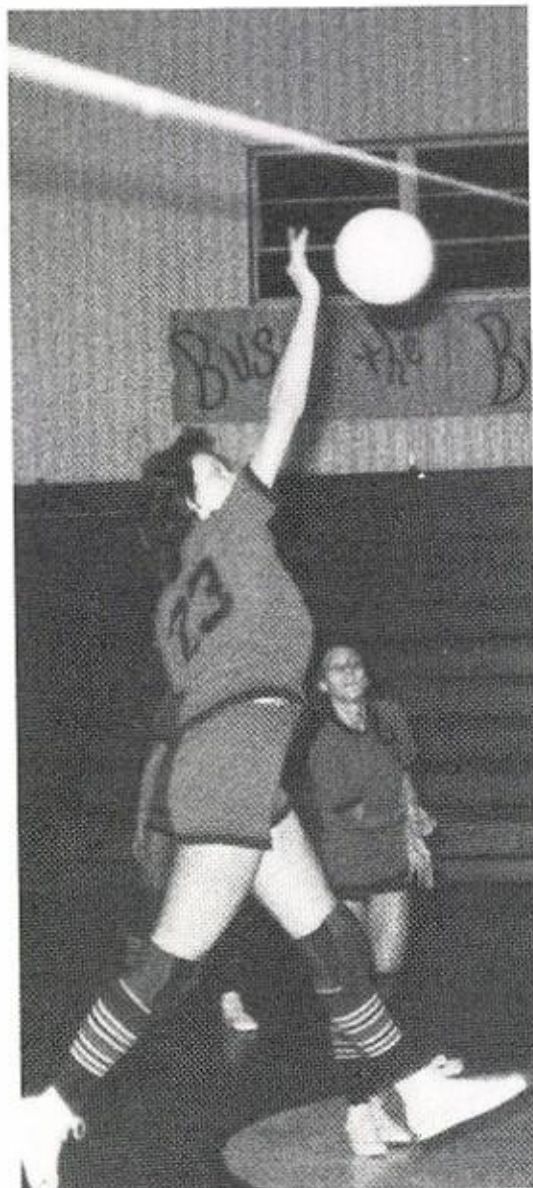

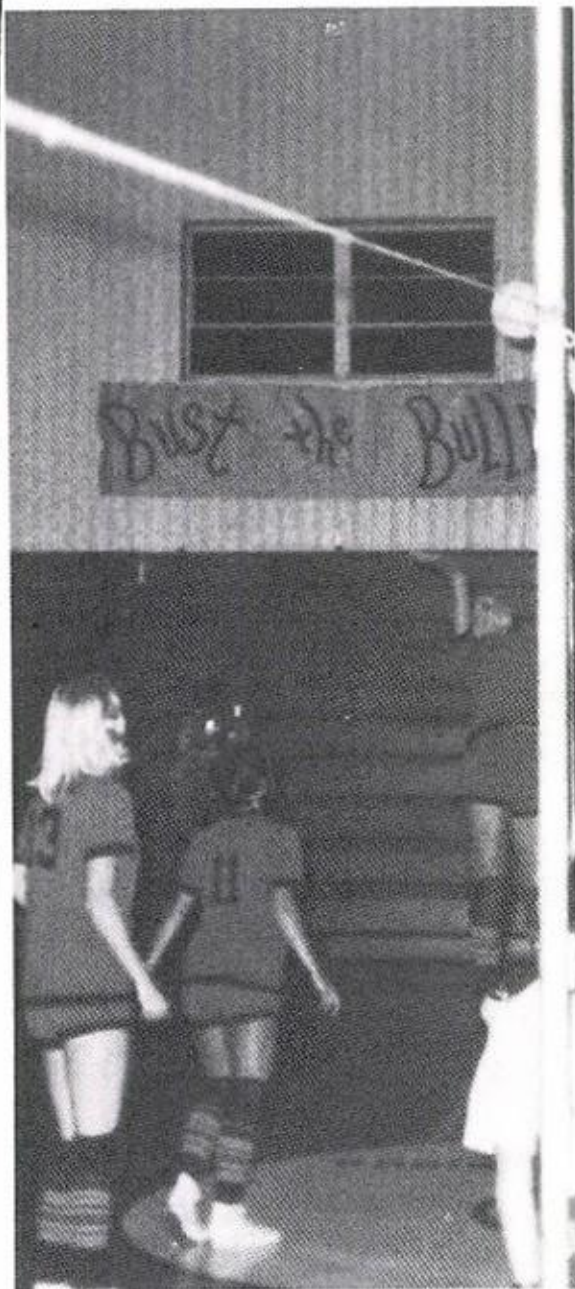

In her first year of coaching, Karen Walker led the Pantherettes to the South Zone Championship. Hopes of a District win were shattered when defeat came from the Waxahachie Maidens.

The Junior Varsity ended their season with 7 wins and 6 losses; proving that the future is bright for Midway Volleyball.

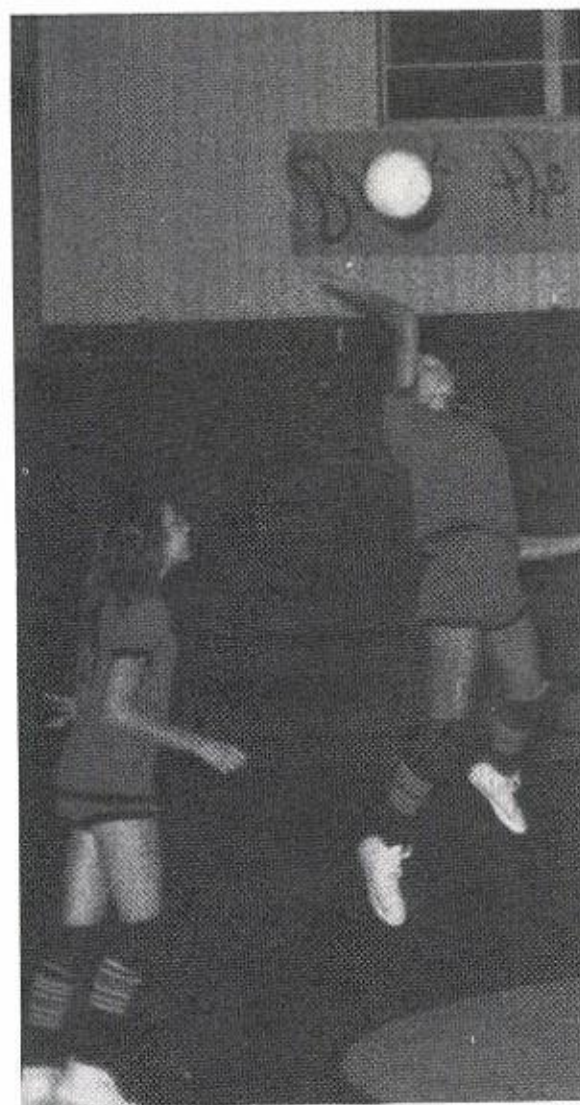

Excitement spreads throughout the Pantherettes as they obtain another victory.

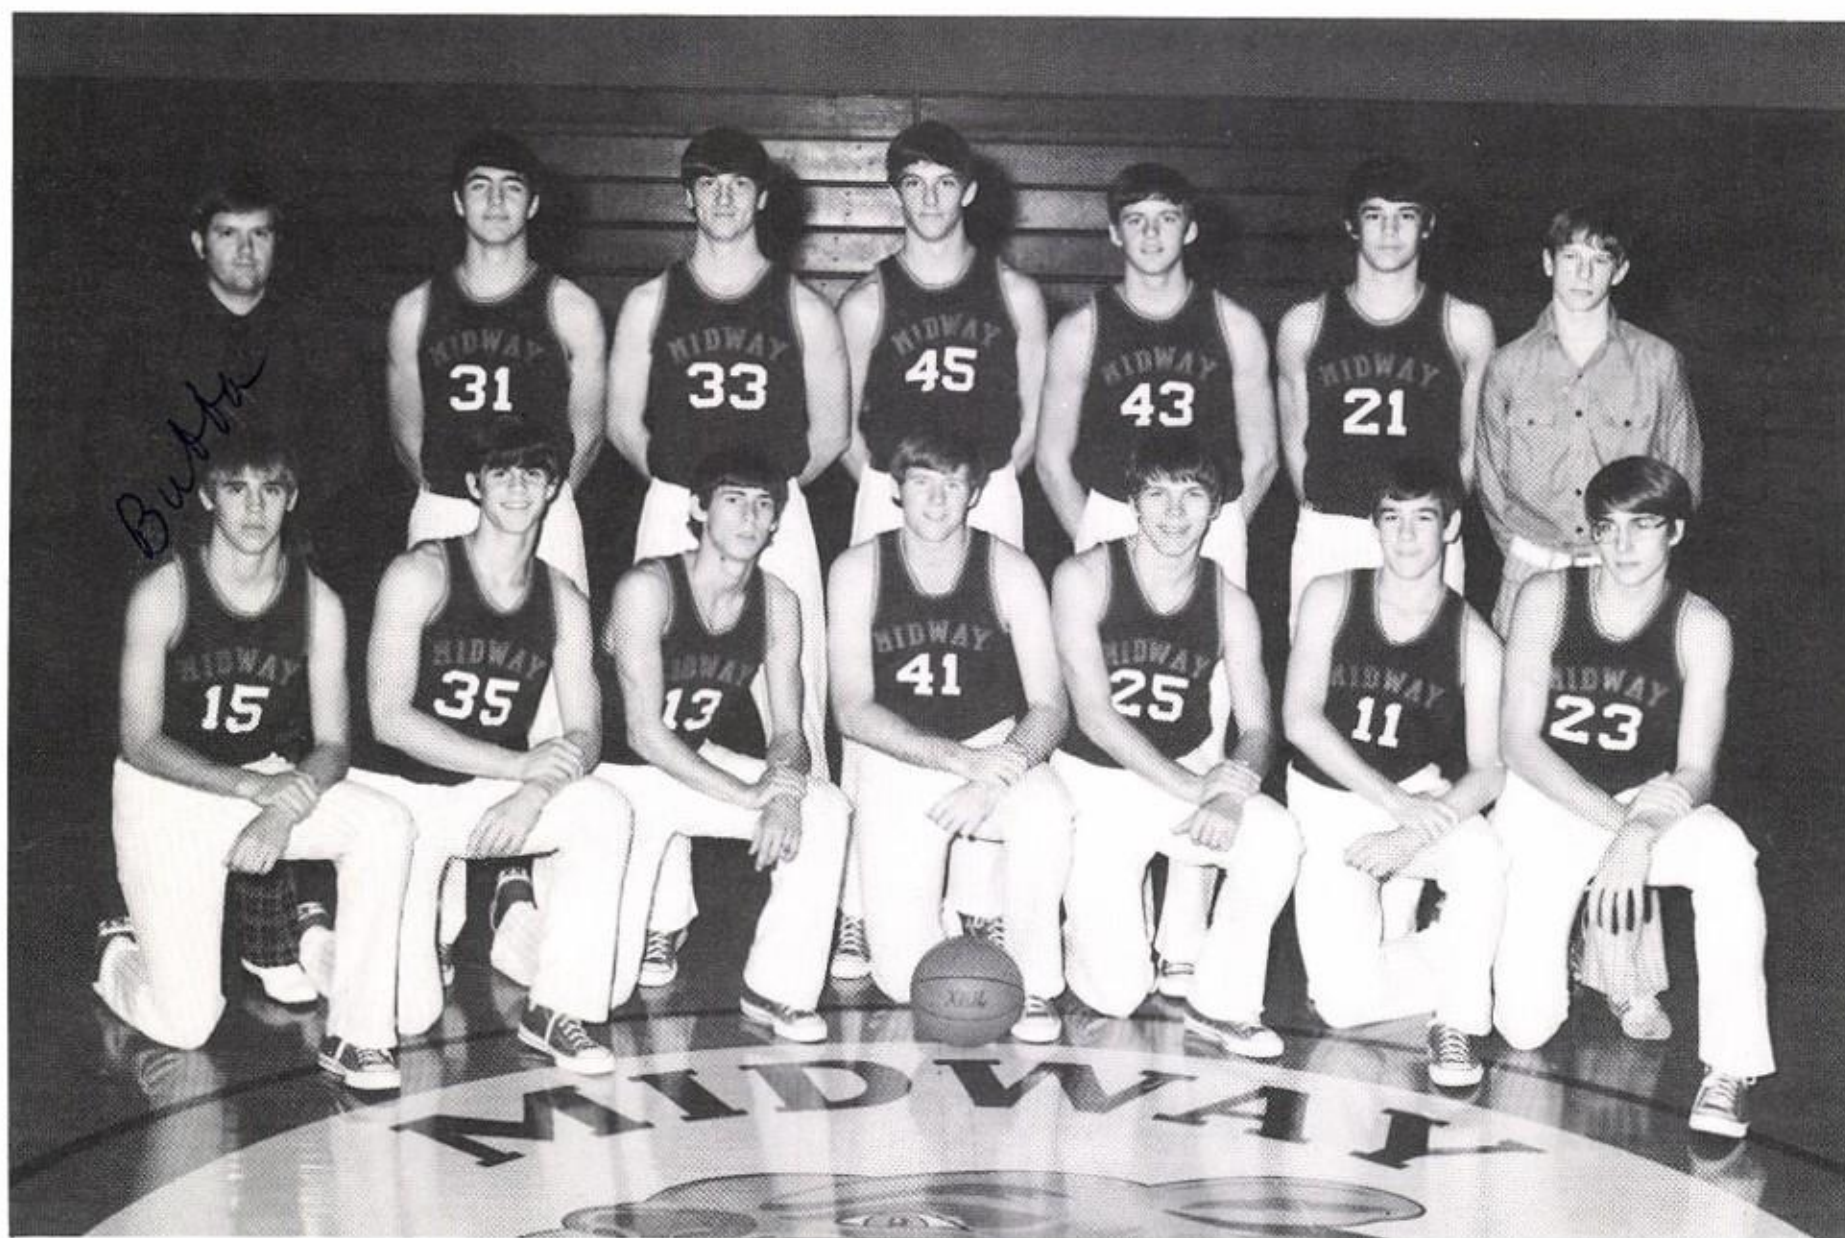

Desiring a victory, Tami Mayberry spikes the ball over the net.

Midway

Celebrates

Christmas

If you can't have the tree, get the twig.

Midway students celebrated Christmas with a school assembly and a fund-raising project. A choir from the Waco School for the Deaf entertained at the assembly. Santa Claus was good to deserving students such as Skipper Roberts who received a gift certificate for a haircut.

The greatest class at Midway, the Junior Class, was named according to pennies collected for the Anthony Cervantes Fund. The school contributed \$400.

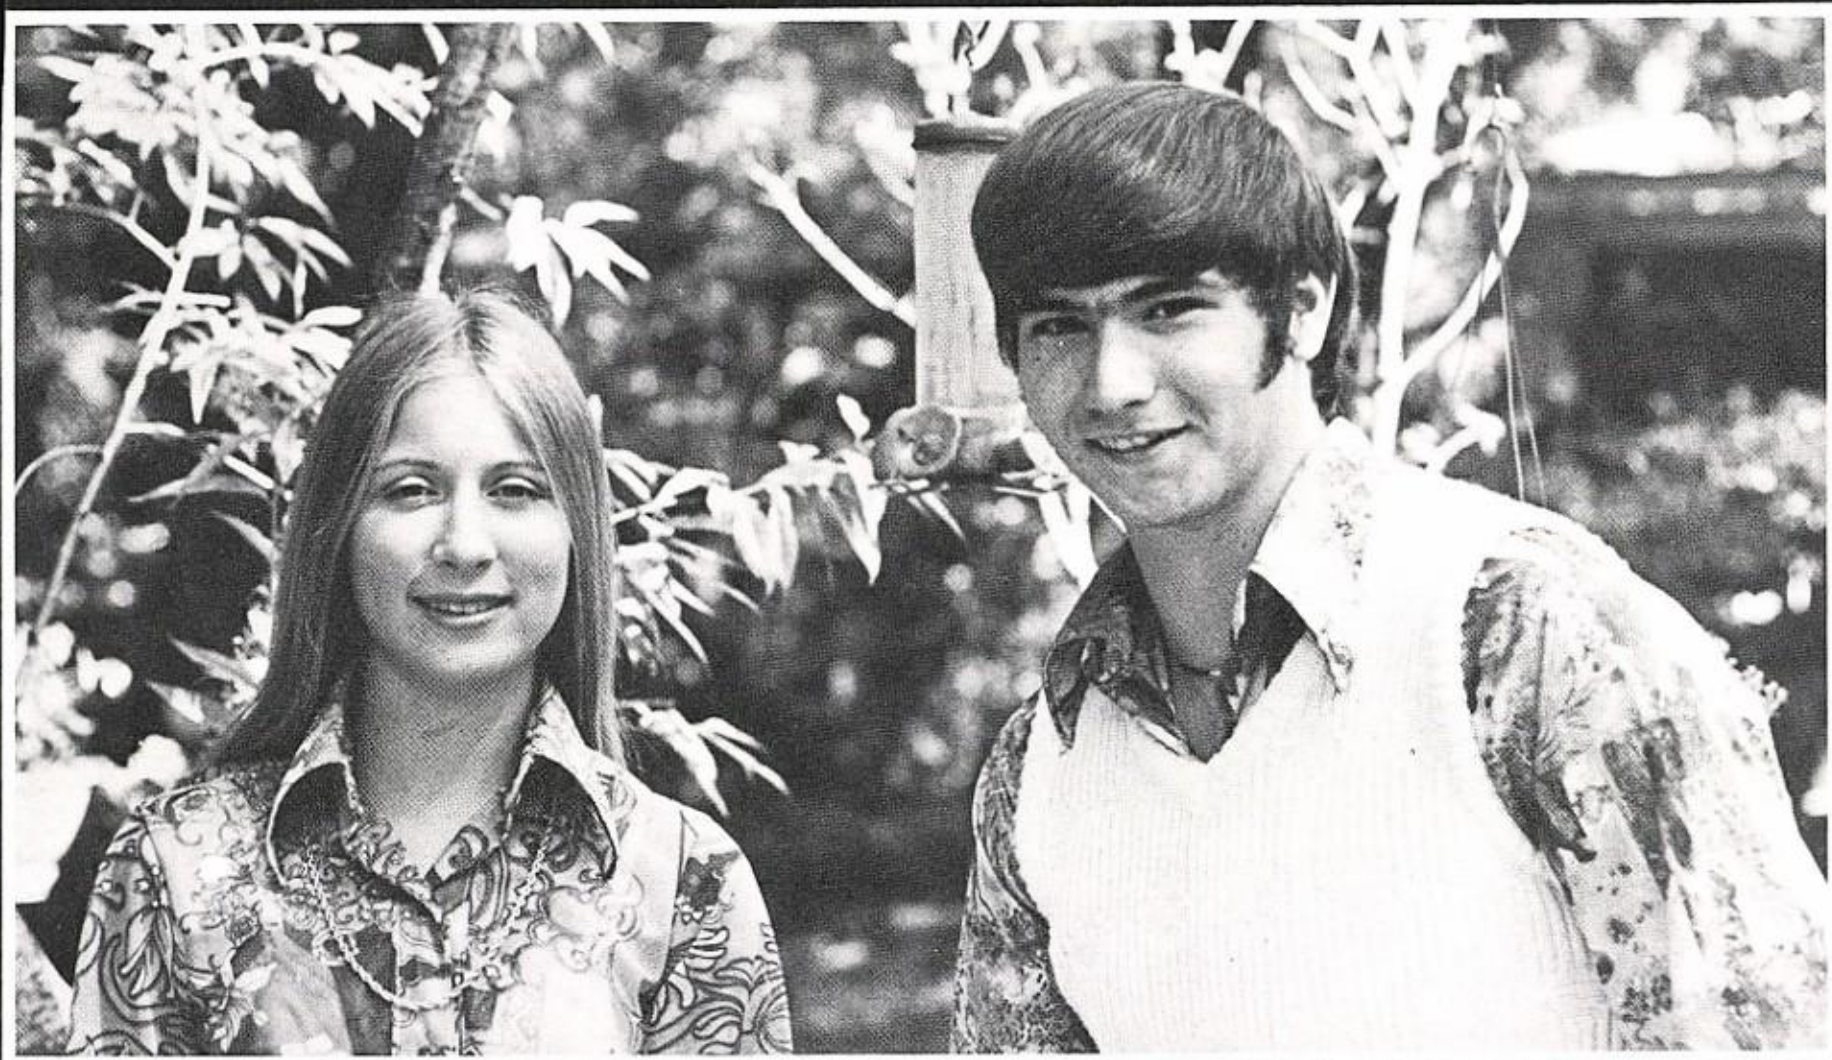

The Key Club provided the tree for the main foyer and conducted a can food campaign for the needy.

Faculty Motivates Students

Teachers at MHS have constantly shown a willingness to serve the student body not only as educators in the classroom, but as persons concerned with helping young people formulate a better tomorrow.

Through the guidance of a teacher, a student can explore avenues of knowledge. He can enliven his mind, bring new worlds and discoveries to his doorsteps, and prepare himself to deal productively with the society in which he must live.

Students at MHS appreciate the time and effort teachers have given.

The sunset of another year
finds us reflecting the rays of our
year together

YOU and I have been held
together by that thin thread of
Time and Place-five days a
week for nine months a year in a
sprawling concrete structure.

TOGETHER: YOU and I have
known, learned, and grown up
through our smiles, tears, and
laughter.

Now before the setting sun we
stand

Deciding upon the paths to try
sharing dreams so dear to us
Unafraid, TOGETHER: YOU and
I.

Barbara Anderson, Nancy Bolin, Debbie Burge, Regina Cutler, Linda McCoy, Cheryl Millsap, Laurin Patrick, and Debbie Stowe

Sometimes, not often enough, we reflect upon the good things, and those thoughts always centered around those we love. And we think about those people who mean so much to us, and for so many years have made us-so very happy. And we count the times we have forgotten to say thank you, and just how much we love them.

Congratulations, and the Best of Everything to the greatest
Senior Class ever,
